## Stock Footage Image List

To follow are a collection of many of our images. Our list grows daily so if you don't find what you are looking for, be sure to **email** or **call** us because we may have the image you are looking for but have not listed it here yet.

### Locations:

Baja Peninsula, Mexico  
Sea of Cortez, Mexico  
California, USA  
Cristal River, USA  
Cuba  
Kiribati  
Red Sea, Egypt  
South Africa  
France

## Animal Behavior

---

### Spawning

Hard Coral Spawning (Caribbean)  
Bivalves spawning (Sea of Cortez)  
Flower urchin Spawning (Sea of Cortez)  
Synapted sea cucumber spawning (sea of Cortez)  
Sea-cucumber spawning (Christmas Island)  
Crown of thorns Spawning (Christmas Island)  
Polichaete worms rising from the bottom to spawn (Sea of Cortez)  
Pen shell spawning (Sea of Cortez)  
Creolefish Spawning (Sea of Cortez)  
Crevalle jacks Spawning (Sea of Cortez)  
Pike blennies Spawning (Sea of Cortez)  
Rainbow wrass Spawning (Sea of Cortez)  
Triplefin blennie Spawning (Sea of Cortez)

### Mating

Stingray (Sea of Cortez)  
Nudibranches mating (Different species, Sea of Cortez)

### Courtship

Arrow crab foreplay (Sea of Cortez)  
Staghorn Coral Crab (Sea of Cortez)  
Crevale jack (Sea of Cortez)  
Horse eye jacks (Sea of Cortez and Cocos)  
Pike blennies signaling to attract female (Sea of Cortez)  
Signal blennie signaling to attract female (Sea of Cortez)  
Angel Blenny signaling to attract female (Sea of Cortez)

### **Fighting**

Signal Blennies fight for territory (Sea of Cortez)  
Pike blennies fight for territory (Sea of Cortez)  
Giant damsels defend territory from Surgeonfishes (Sea of Cortez)  
Sealions aggressive display for territory (Sea of Cortez)

### **Feeding**

Arrow crab feeding  
Synapted sea Cucumber feeding (Sea of Cortez)  
Tiger nudibranch feeding (Sea of Cortez)  
Tube worms feeding (Sea of Cortez)  
Sea-slugs, massive amount of them, grazing ravenously in a sand plane (Cuba)  
Pelagic Red Crab (*Pleuroncodes planipes*) (Baja, Mexico)  
Chubs grazing (Sea of Cortez)  
Whale shark (Sea of Cortez)  
Sealion feeds on big snapper (Sea of Cortez)  
Sealion feeds on Triggerfish (Sea of Cortez)  
Sealion killing and feeding on a Chub (Sea of Cortez)  
Porcelaine crab feeding (Sea of Cortez)  
Blue Crab (Jaiba) feeding (San Ignacio Lagoon, Baja)  
Humboldt Squid (Sea of Cortez) feeding on sardine bait ball; bait in water

### **Hunting**

Bronze whalers (See "Sardine Run", South Africa)  
Cormorants (Sea of Cortez)  
Sealions (Sea of Cortez)  
Common dolphins (See "Sardine Run", South Africa)  
Humboldt Squid (Sea of Cortez) sardine bait balls being attacked

### **Play**

Pup sealion play with Divers, starfish, garbage, discarded fishing line and try to play with cormorants. (Sea of Cortez)

### **Other behavior:**

### **Building**

Yellow face Jawfish builds refuge in sand (Caribbean)

### **Symbiotic relations**

Jewfish and golden trevally (Sea of Cortez)  
Clownfish and damselfish on anemones at night (Red Sea)

Periclimenes shrimps in starfish (Sea of Cortez)  
Mantas being cleaned by Clarion angels (Mexico)  
Hammerheads being cleaned by barberfish and king angels (Cocos)  
Barberfish cleaning a Chub that has a hook on the gills and cleaning Needlefish (Sea of Cortez)  
Rainbow runners scratch themselves against white tip sharks (Cocos Island)

## **Invertebrates**

---

### **Sponges**

On Cuban walls

---

### **Coelenterates (corals, jellyfish, anemones, hydroids)**

#### **Jellyfish**

Box Jellyfish at night (Caribbean)  
Moon jelly (Caribbean)

#### **Anemones**

Sand anemone Feeding at night (Sea of Cortez)  
Anemone with one clownfish and many young damsels at night (Red Sea)

#### **Corals**

##### **Hard Coral**

Spawning in the Caribbean

##### **Coral Reefs in:**

Cuba  
Kiribati (Christmas Island)  
Red Sea  
Sea of Cortez  
Destroyed section of a reef due to a boat collision (Sea of Cortez)

##### **Black coral**

Yellow polyp black coral (Sea of Cortez)  
Angelfish eats black coral (Sea of Cortez)

##### **Broken coral reefs**

##### **Soft Coral**

Red Sea  
Cuba

---

## Arthropods

### **Arrow crab:**

Arrow crab foreplay (Sea of Cortez)

Arrow crab protecting itself by staying in a Staghorn coral crab hydroid (Sea of Cortez)

Arrow crab feeding

**Blue crab** (Jaiba) feeding

### **Staghorn coral crab**

Courtship (Sea of Cortez)

**Pelagic Red Crabs** (*Pleuroncodes planipes*)

Feed (Baja California)

### **Periclimenes shrimps**

Living symbiotically on different species of starfishes (Sea of Cortez)

### **Porcelaine crabs**

Feeding

---

## Echinoderms

### **Flower urchin**

Spawn (Sea of Cortez)

### **Sea cucumbers**

Synapted sea cucumber Spawning at night (sea of Cortez)

Synapted sea cucumber feeding (sea of Cortez)

Sea-cucumber spawn (Christmas Island)

### **Starfishes**

Different Species in the Sea of Cortez.

Different species of starfish with *Periclimenes* shrimps living on them (Sea of Cortez)

Sealion playing with starfish (Sea of Cortez)

Crown of thorns Spawning (Kiribati, Christmas Island)

---

## Annelids

Christmas tree worms (Sea of Cortez)

Polychaete worms rising to the surface to spawn (Sea of Cortez)

---

## Mollusks

**Sea slugs** a “stampede” of a huge mass of sea slugs feeding in a sand plane (Caribbean)

**Pen shell** spawning

**Humboldt Squids** (*Dosidicus gigas*) (Sea of Cortez)

**Tube worm** feeding (cast filament of sticky mucous to feed) (Sea of Cortez)

---

## Plankton

Tunicates (Sea of Cortez)

Ctenophores (Sea of Cortez)

Heteropod molluscs (Sea of Cortez)

Pelagic Red Crabs (*Pleuroncodes planipes*) (Baja California)

Fish feed on plankton

## Vertebrates

---

### Fishes

#### **Fish schools**

Different species (jacks, barracudas, grunts, sharks, sardines, creolfishes, barberfishes...)

More than 30 species of fish from the Sea of Cortez.

**king angels** Clean hammerhead (Cocos)

**Cortez angel** eats black coral (Sea of Cortez)

#### **Barracuda**

Mexican barracuda schools (Sea of Cortez)

#### **Blind fish (*Lucifuga* sp. )**

In a Cuban cave

#### **Barberfish**

Eat plankton (Sea of Cortez)

Clean hammerhead (Cocos)

#### **Damselfishes**

Blue damsel nibbles algae from a Seahorse (Sea of Cortez)

Giant Damsel defending territory against intruders (starfish, surgeonfish schools)  
(Sea of Cortez)

**Chubs**

With hook being cleaned by barberfish (Sea of Cortez)

**Creolefish**

Spawning (Sea of Cortez)

**Frogfishes**

Shaking lure to attract prey (Sea of Cortez)

**Garden eels** (Sea of Cortez)

**Gobies**

Blue banded gobies (California USA)

**Crevalle jacks** (Sea of Cortez)

Spawning

Hunting

**Horse eye jacks** Courtship (Sea of Cortez, Cocos Is.)

**Giant Jawfish** With eggs in Mouth (cortez)

**Yellow face Jawfish** Building home in the sand (Cuba)

**Jewfish**

With juvenile golden trevally (Sea of Cortez)

In wreck – (Pacific Ocean-in wreck)

With divers

**Moray eels**

**Pike blennies**

Signaling to attract females (Sea of Cortez)

Spawning. (Sea of Cortez)

**Pilotfish**

With Whale shark and with jewfish

**Plankton eating fish**

Creols, barberfish, damsels, Sargent mayors, (Sea of Cortez)

**Rainbow wrass (Sea of Cortez)**

Spawn

Eating a discarded sealion placenta

Feeding on a section of sargassum drifting in the current

**Sabertooth blennie** (Sea of Cortez)

Attacking surgeonfish

**Sardines**

Schools (Sea of Cortez and South Africa)

Being hunted by Cormorants and or fishes, sharks, sealions, dolphins

**Sargent mayors**

Feeding on a Sargasso branch (Sea of Cortez)

Feeding on plankton (Sea of Cortez)

**Scads:**

Schools (Sea of Cortez)

Being hunted by sealions and Jacks (Sea of Cortez)

**Seahorse**

Blue damsel feeds on algae that grows over the seahorse (Sea of Cortez)

With skin infection (Sea of Cortez)

**Sick fish**

Seahorse (Sea of Cortez)

Triggerfish (Sea of Cortez)

**Signal blennie**

Fighting for territory (Sea of Cortez)

Signaling aggression (Sea of Cortez)

Signaling to attract Female (Sea of Cortez)

**Surgeonfish**

Juvenile surgeonfish

Surgeofish schools invade territory of damsel and graze on it

**Tropical fish**

Christmas Island

**Cuba**  
**Red Sea**

**Triplefin blennie**

Spawning (Sea of Cortez)

**Trumpetfish**

Hunting (cortez)

**Tube blennies**

Different species (Sea of Cortez)

**Yellowtail surgeons**

Feeding, invading territory of Giant Damsels that fight against them (Sea of Cortez)

---

## Sharks and Rays

### **Bull Sharks**

Cuba

### **Bronze whalers**

Along with Common dolphins hunting sardines during South Africa's Sardine run

### **Guitar Electric ray (Sea of Cortez)**

### **Gray reef sharks:**

In Bahamas

Christmas Island

### **Great white sharks:**

South Africa

### **Hammerheads:**

Schools (Sea of Cortez)

Being cleaned by King angels and Barberfish (Cocos Island)

### **Mantas**

Being cleaned by clarion angels

With Divers

Defecates

With sealions

Silhouettes

Manta followed by mobula

### **Mobulas: (different species)**

Schools (Sea of Cortez)

Small groups and individuals (Cocos)

### **Ragged tooth sharks (Sand tigers)**

South Africa

### **Stingray**

Mating (Sea of Cortez)

Feeding (Sea of Cortez)

### **Whale shark**

Feeding (Sea of Cortez)

With Divers (Sea of Cortez)

With Sealions (Sea of Cortez)

### **White tip sharks**

Rainbow runners scratch themselves against white tip sharks (Cocos)

---

## Birds

### **Cormorants**

Hunting (Sea of Cortez)

With sealions that try to play with them but that prevent them from hunting (Sea of Cortez)

### **Magellanic Penguins** (all out of water images in South Africa)

Nesting, with Chicks and Chicks

---

## Reptiles

**Alligator** (underwater images) (Crystal River, Florida)

### **Turtles** (Baja California)

Turtle, still alive, caught in net.

Dead turtle caught in net

Releasing turtles that were tagged or caught in nets

---

## Mammals

### **Bottlenose Dolphins**

Pod, underwater, in South Africa. Checking me with echolocation

Topside of dolphins riding bow wave of boats

### **Common dolphin**

Pods with great amount of them in open water (underwater and topside images)

Hunting sardines during South Africa's Sardine run

Topside of dolphins riding bow wave of boats

### **Elephant seal** (all underwater Images)

Pup

Adult Male Molting

Swimming

Looking for stones to swallow on Bottom.

With divers

### **Manatees** (Crystal River, Florida)

Baby suckle from Mother

Adult feeding on plants in the bottom

### **Gray whales (Baja California)**

Close up of face (underwater images) of Calf and Calf and mother  
Whales approach the boat to be caressed  
People caressing them from boat  
Whale watching in San Ignacio Lagoon  
Surface & Underwater

### **Orcas (Killer Whales)**

Underwater images of pods or individuals

### **Pilot whales (Sea of Cortez)**

Underwater images  
Pods  
Individuals  
With snorkelers

### **Sperm whales (Sea of Cortez)**

### **Seals**

Harbor seal in the California Kelp Forest

### **Sealions (Sea of Cortez)**

Eating big snapper  
Eating triggerfish  
Killing and eating a Chub  
Hunting  
Patrolling area with females  
Dead baby sealions  
Divers petting an adult male sealion  
Images of sealions and manta. One sealion very curious about a Manta.  
With a whale shark  
Aggressive display against my camera  
Aggressive display between two males for territory

### **Pup sealions: (Sea of Cortez)**

Playing with a starfish  
Playing with divers  
Playing with turtle  
Swallows stones  
Follow Cormorants that are hunting because they are curious about the birds  
Playing with discarded fishing line  
Playing with plastic bottle

## **Additional Images**

---

**France:**

Images from Normandie et Bretagne en France. Images from the cities, countryside, castels, neolithic monuments.

**Cuba:**

Images from Habana City

**Abalone fisherman** collecting Abalone in Mexico's Baja Peninsula

**Caves and sinkholes:**

Flooded and dry caves in Cuba. Details of Secondary formations.

Blind fish and Shrimps that inhabit the caves

Beautiful images in a Cuban sinkhole where Halocline can be seen and sunlight creates beautiful effects.

**Snorkelers** with sealions

**Tropical Fish Collectors working in Kiribati**

**Kelp forest**

In California

In Mexico's Baja (Pacific Ocean side)

**People whale watching**

**Landscapes**

Baja California (desert, Bojum trees, Seascapes)

South Africa

**South Africa Sardine Run.**

Images of Dolphins, sharks and sealions hunting sardines during their migration along the wild coast of South Africa

**Sunsets and sunrises by the sea**

**Wrecks** in La Paz Sea of Cortez.

**Artificial Reefs:** Wrecks

**Vast images of Baja & the Sea of Cortez & Pacific Shoreline**
